- Dinner, Round Tables of 6, 8, or 10..... 10 sq ft./Person
- Dinner, Round Tables of 12..... 12 sq ft./Person

Aside from main areas, allow 54" between round tables for chair and service space and 60" between oblong tables where seating is back to back. This permits 24" service space behind an 18" chair depth.

**For Banquet Style Seating**

To determine the number of people your room will accommodate, when using oblong tables; divide the room area (square footage) by 8. When using round tables, divide the room area by 10. These figures are for maximum seating. If space is available, for more comfortable seating, allow an additional 2-5 sq. ft. per person.
